Disclaimer

Please note that we do not take action of removal for all complaints if the same is resolved or found as the content reported is found to be not violating our policies after investigation.

This report was published on June 30, 2024. It captures information from June 1, 2024, to June 30, 2024 (cut off at 8.30 p.m.). Spam moderation data is collected from June 1, 2024, to June 30, 2024 (cut off at 8.30 p.m.).

Loco is an intermediary that enables online interaction between two or more users and allows them to create, upload, share, disseminate, modify, or access information using Loco's services. Loco encourages creators to express themselves fully and monitors user-generated content only to the extent required by law. Loco's moderation processes are carried out on a best-effort basis. They are a mix of machine learning and human intervention, including community reporting. While our processes are improving, there June be instances where detection has escaped. Loco is committed to making its platform a safe and positive environment. We welcome feedback and queries at support@loco.gg.

Periodic Compliance Report in accordance with Rule 4(d) of the Information Technology
(Intermediary Guidelines and Digital Media Ethics Code) Rules, 2022
